BCFED Statement on the International Day Against Homophobia, Transphobia and Biphobia

We mark the International Day Against Homophobia, Transphobia and Biphobia 2023 during an especially difficult year for 2SLGBTQIA+ people around the world.

We've seen a growing number of hateful incidents. Thankfully, we've also seen strong community responses — and BC's unions have been proud to join them.

None of us should have to live in fear or face hatred and violence because of how we love each other or who we are. Hate has no place in our unions, workplaces, communities or province. Today and every day, we stand with 2SLGBTQIA+ people everywhere.
