Proposed amendments to the Occupational Health & Safety Regulation (OHSR) to part 5, exposure limits, part 6, hazardous drugs, and part 26, forestry operations, of the Occupational Health and Safety Regulation

The BC Federation of Labour appreciates the opportunity to provide our submission with respect to the proposed amendments to:

• Part 5: Consultation on proposed occupational exposure limits based on the new or revised 2016, 2017, and 2018 ACGIH TLVs for selected chemical substances;

• Part 6: Substance specific requirement for pesticides: Re-entry levels; and

• Part 26: Forestry operations and similar activities: Hauling log securement.
