2453	BCGEU	environment	CJJC	Carried by EC	THE FEDERATION WILL, with the support of the Canadian Labour Congress (CLC), Indigenous communities and community groups, call upon the province of British Columbia and the federal government to urgently proceed with legislation that enables legal and financial mechanisms for the protection of biodiversity, ecosystem health and species at risk in British Columbia.	
2454	BC Insulators; FPSE	green jobs	CJJC	Carried	THE FEDERATION WILL lobby the provincial government and work with the CLC to lobby the federal government to invest in an expanded Youth Climate Corps providing unionized jobs and training to young adults to support important work on climate adaptation and mitigation projects in their own communities.	
2455	CUPE BC	climate crisis	CJJC	Carried	THE FEDERATION WILL advocate for five (5) days of paid leave for workers who are unable to safely travel between work and home during natural and environmental disasters.	
2456	MoveUP	climate action	CJJC	Carried by EC	THE FEDERATION WILL create a campaign urging the BC government to investigate the feasibility to building new, or adding to our existing, clean energy generation infrastructure in as many areas as possible including, but not limited to, wind, solar, geothermal and wave energy; and THE FEDERATION WILL further use this campaign to push for all new clean energy infrastructure to be publicly-owned, reliable, affordable and regulated.	
2457	USW District 3	mining	CJJC	Carried	THE FEDERATION WILL: <ul style="list-style-type: none"> • work with affiliates to promote BC as a global leader in the responsible development of minerals/ resources that a low-carbon future requires; • press for government support to train workers and kickstart BC's critical mineral and recycling industry; • lobby to protect Canada from dumping of minerals and goods produced in jurisdictions with poor environmental laws and few worker rights; and • encourage governments to collaborate on a comprehensive supply chain strategy that creates union jobs using local products in domestic, value-added manufacturing. 	
2458	Vancouver DLC	public transit	CJJC	Carried	THE FEDERATION WILL endorse the Centre for Family Equity's Transit for Teens campaign, and support its efforts to bring free public transportation to all children and youth in British Columbia.

2459 to cover 2460	MoveUP	public transit	CJJSC	Carried	THE FEDERATION WILL increase outreach of its Connecting BC Public Transit campaign, specifically to target the general public and stress the urgent need for funding; THE FEDERATION WILL lobby the provincial government and applicable political parties, to deliver sustainable public transit funding that will address both urgent and foreseeable needs for the next 100 years, including providing free transit for youth 18-and-under; THE FEDERATION WILL push the provincial government to repatriate all outsourced public transit services providers; and THE FEDERATION WILL support and encourage affiliates to have subsidized and/or provided public transit passes included in collective agreements, including those that cover their staff.	
2461	CUPE BC	public transit	CJJSC	Carried	THE FEDERATION WILL develop and implement a campaign and government relations strategy to advocate for the elimination of private contracts between BC Transit and private, for-profit companies that provide public transit services in our communities, and for those services to be operated directly by BC Transit, or by the provincial government itself.	
2462 Amended	BCGEU	water	CJJSC	Carried by EC	THE FEDERATION WILL advocate to the Ministry of Water, Land, and Resource Stewardship to collaborate with regional First Nations to provide leadership and functional involvement in the creation and management of consistent regional water supply strategies. This will be done with the aim of ensuring that resilient and sustainable drinking water supplies are in place now and in the future for all reserve lands.	
24-136	CUPE 1978	just transition	CJJSC	Carried by EC	THE FEDERATION WILL work with the CLC to demand that governments implement strong policies to support economic transition, protect workers, and safeguard communities. This includes retirement for older workers, and income support and training programs for younger workers; THE FEDERATION WILL work with the CLC to demand that governments implement industrial policies that achieve a transition to a cleaner economy, seizing the opportunities presented by the global clean economy. A just transition is one where workers and communities shape their futures supported by social programs and public investment in economic alternatives.
