

# Day of MOURNING

---

## Announcement:

### Vancouver Day of Mourning ceremony Tuesday, April 28

We care about the health and safety of B.C workers, employers, and their families. As per the guidance of public health officials to limit gatherings and practice social distancing at this time, we have made the hard decision to cancel the Vancouver Day of Mourning ceremony at Jack Pool Plaza.

Our planning committee is working on alternative plans to remember and acknowledge the workers in British Columbia who lost their lives as a result of work-related injury or disease.

On behalf of the B.C. Federation of Labour, the Business Council of B.C., the Vancouver and District Labour Council, and WorkSafeBC, we thank you for your commitment to creating healthy and safe workplaces for everyone.
